Aishas flat is about 7 minutes walk from tube station, The flat is very clean and tidy situated in a quite area of London

The Lady:

Under 5ft tall, large un-natural breasts, beautiful eyes and perfect bum.

The Story:

I am not very experienced at punting and probably not the best client as I am nearly always so nervous however the experience with Aisha is to be experienced.

I had seen Aisha before with other girls before but this was the first time I had the pleasure being with her alone. She ignored my usual nerves and made me feel like a king.

We started with a bath where I was given one of Aishas special treatments and the fun continued in the bedroom where I was treated to the full Aisha experience.

I will make sure to see Aisha soon because it does not get much better than this little Thai bombshell. She may be 4ft something but this lady is one hundred percent Thai gold.

The only problem I sometimes have is getting hold of her on the phone, so be patient, it will be worth it.

Aisha does most requests but please treat her with respect and kindness because you will be well rewarded I promise you, she is a bright girl too,
