### The Premises:

Very smart large modern apartment building on a busy main road. Only about 4-5 mins from the nearest tube station. Very safe area.

### The Lady:

Amelia now has a short bob style haircut instead of the long hair in the pictures, but think it suits her better. Probbaly a size 8, with maybe a bit smaller breasts than the 34c claimed, but lovely perky nipples, which respond to attention

### The Story:

Having bit let don by a few regular independents that afternoon in the Paddinton area, found myself a bit desperate, do decided to use an agency for the first time in over 3 years of punting, and think i may have struck it lucky first time.

Amelia is a vrey friendly girl, who is easy to have discussion with as her English is excellent. It was a very hot and steamy hour, in which we did it in about 5 different positions with a break mid-session, and finished with me cumming over her tits. She loves to receive oral. She does offer other services within the price but does not enjoy them so did not push this time (but maybe next as that tight arse did look very appealing). Only slight down side is oral is covered but this did not detract from the excellent and friendly service provided. Think of the porn actress Suzie Best, this sums up Amelia's look, such a sweet and lovely girl. Will be back again very soon
