The Lady:

Well to start, the pictures on this website are rubbish. But in saying that they were enough to entice me in. She is Stunning! Perfection. Amazing eyes which you don't see in the photos.

The Story:

New to BDSM a not a regular punter but I know what I like and I am very picky. Greeted by the maid who was very warm and welcoming and shown to the room. When Amy entered the room I was knocked out. She is beautiful and was dressed up to perfection, not in domination clothes which was fine by me. She is tall and has catwalk model-like beauty (truely, and I am a fashion photographer so I should know!), smells good and carries herself very well. She made me feel at ease from the start, asking me my likes and dislikes. I was happy to be led by her as I only knew that I wanted some tie and tease with some nipple play.

I won't go into too much detail but suffice to say I was very satisfied and was shaking by the end! My only gripe is that I was blindfolded for a little too long and didn't get enough reward. To her credit it may be a good ploy to go back for more. It worked, I am hooked on Amy! Stay away lads, I'm her slave boy!
