### The Story:

I have seen Amanda several times now and I can honestly say she is really nice to be with. She puts you at ease straight away. I feel as if I could just pop round and just have a chin wag - albeit an expensive one! I am writing this report now because my last visit was by far the best. I won't go into sordid details, but suffice to say I left relaxed with a smile knowing that I will be back. If you want to see a lovely escort in beautiful surroundings that is more than just a glorified wank, see Amanda. She also does very good massages and if you have time within your booked session, I recommend it. Thanks Amanda.
