The Premises:

Nice enough apartment off Sloane Square - parking likely to be an issue during the day

The Lady:

As per pix - Persian/Russian mix so a few extra hairs

Bum and legs are a little larger (and, IMHO, all the better for it) than her pix

The Story:

Fantastic

Loved her looks - right up my street with very striking features and beautiful eyes.

Loved her personality - appeared very genuine, honest and no time watching.

Loved her service - given that "A" is clearly not an option (why do agencies insist on using the euphemism "open minded" when the girl clearly does not offer the service) i should have left disappointed. In fact, i didn't want to leave at all.

i had a spectacularly good time with a girl that i could easily become "involved" with, under different circumstances.

Full marks
