The Premises:

Large 2-floor apartment in upmarket area of West London. Very tidy with lots of rooms and showers available, before and after. Totally safe.

The Lady:

7 Gorgeous ladies, I sampled them all in one way or another during the 2 hours.

The Story:

This was well below 2:1, in fact I had 3 girls attending to my needs on one occasion, and 2 quite frequently.

It would be wrong to single out any one girl since they were all focussed on ensuring that the guys were well looked after. As mentioned above, all are gorgeous and enthusiastic, so I had a really great time - my first visit to LMP for several years, so it was good that M still recognised me!

Several hours later, I'm still hearing that question - "would you like to play?"

Think I'll be back soon.
