The Lady:

Jenny is a mature lady with a body that many girls half her age would envy.

The Story:

i gave up punting last year due to the credit crunch. It has taken me this long to report as i have lost the email account behind my old user name (Gary ZZ).

Anyway I think it is only fair to thank Jenny through this forum for the excellent service she gave me over the years.

I would look forward to our liaisons, and Jenny certainly gave the impression of being pleased to see me when i arrived.

Details of what we got up to can be left to your imagination but I'd happily recommend her to anyone looking to meet a mature lady who revels in her work.

Happy to confirm Jenny's talents at zzzgaryzzz at hotmail dot co dot uk
