### The Premises:

This flat is located near to the City of London airport DLR station and it is modern and very discreet.

### The Lady:

Lucy is a dark haired Polish girl with blonde highlights. She is a dress size 10 to 12 with really lovely, firm D cup breasts. She kept her specs on throughout the session which was a turn on.

### The Story:

This was an unusual experience because Lucy was very passive and I am used to the girl taking the initiative. She may also be fairly new to this business. The best thing about her, however, are her really lovely breasts. I spent most of the session sucking, squeezing and licking them. I did also give her oral, but she didn't seem to respond. I then asked for sex in the doggy position so on went the condom and she was really tight. I wasn't feeling that great and I almost came too soon because she made sure only the first couple of inches went in. I withdrew and came over those lovely tits.

I would like to go again and maybe ask if she has any stockings or tights for a sexy secretary session.
