Notes: Formerly Notorious Girls NW

The Premises:

La Maison is a nice, relaxed and friendly joint with high class rooms and en-suit shower facilities.

The Lady:

A Very nice looking 20yr old polish girl. 5' 5" brunette/red head, toned size 8 dancers body with perfect shaped hips and lower back; small but well shaped, pert A/B cups. Celeb resemblance would be Franka Ponente out of run lola run.

The Story:

Positives: A nice looking girl with a lovely body and willing to please. Technique-wise a high quality deep throating/sucking BJ.

Negatives: Inexperienced and didn't quite know how to keep the punt flowing along, moving from one thing to the other naturally. Also she has a great sucking technique but if she added some ball sucking and licking, the over all experience would be really improved.

Comments

I booked in and Sienna accompanied me to the room. LM's rooms are high spec with good in-suit showers but could do with some back ground music. Sienna was wearing a sexy black knickers and bra set with a fishnet type short dress over the top. I took a shower and then joined her on the bed.

I found Sienna quiet and pleasant but could sense the inexperience (although not nervous) as she was quite sure where to start. We started with a DFK kissing and this was ok to good (she could have done with a little more passion but still there was tongues and some lip nibbling etc). I moved down and sucked her pert tits for a little bit and moved my hand down to play with her pussy. I hoped she would move onto OWO but again experience was evident as she wasn't picking up on my signals to get to some oral action.

I suggested a 69 to move things along and so we had a side by side mutual sucking session. Her pussy was neat, tight and tasted good. Her BJ technique was really very good indeed. I was surprised and I really enjoyed her deep throating/sucking of my cock. A couple of times I broke off licking her to enjoy the sensation from her sucking.

I came out from the 69 and lay on my knees and enjoyed a good OWO sucking session from her. I was then ready for some sex.

Sex was fairly basic in missionary and then Doggy. It was a great sight of her lovely hips and shape of her back. However the sex itself was all that to be honest and so I pulled out and switched to a 69 again, this time me below, her above. I tried missionary once more and after a while asked if she did CIM, which unfortunately she doesn't specialise in.

So to finish I asked for so more OWO and hand relief. So a good amount of sucking and then I finished knelt at side angles to her as she wanked me off over her mid-rift while I played with her pussy with one hand and her tits with the other.

After I took a quick shower and then so did Sienna and we left the room. Time-wise; entering in and leaving the room was about 35-40 mins for the 30 min session, so no clock watching or rush.

Over all I'd describe this as a quiet punt but good punt with a fairly inexperienced girl, who definitely has promise.

Would I return? Probably when she has gained more experience and can make the session flow more naturally.
