### Details of Service Provider:

### The Premises:

A prevalent walk-up, surrounded by many eating establishments. Top-floor flat. It is small but has more than adequate room. Extremely congenial Scottish maid, who complimented the quirky host.

### The Lady:

An idiosyncratic 35-year-old Thai lady, with illustrious long black hair and a quintessential Oriental compact physique with a small but sensuous bust, pertaining a most exquisite sensual touch. She maintained a high-level of cleanliness on herself at all times.

### The Story:

This proved to be a very enjoyable punt indeed, but became rather surreal in the aftermath chat, as Jenny's exuberant persona came to the fore, when describing her love of the Highlands and began mimicking the various wild animals she encountered. Despite that though, it has to be stated that she provided a first-class service with an all-encompassing unfeigned aura. She has the lightest of touches which provides the gentlest of sensations and an oral technique, which is both unhurried and luscious. This I could have taken to it's ultimate climax, but had to restrain, in order to couple with this lovely Eastern delight, which I proceeded to do in the most emphatic of ways.

I would recommend her heartily, although she brought a new meaning to eccentricity during the cleaning up process!
