### The Premises:

As previously described on a busy road (even on a Sunday afternoon) in centre of Bedford. Room OK with large shallow bath. Usual sign on door saying shared bath and massage the only services available.

### The Lady:

Dar is an extremely small Thai lady. She said she was 1.5 metre tall- which would make her 4'10" in old money. She very pretty with firm tits and slender body. She said she is 29 but looks younger. She also said she wasn't working there regularly having only come for the day to visit someone. Not sure I believed her - she is used to the game as I describe later.

### The Story:

As soon as we got in the bath she gave me a quick soaping and then started rubbing my dick and tickling my anus. She also asked me what extras I wanted almost immediately. So much for the sign - why do they bother? I asked the prices. She said that would depend on what I wanted. I asked for OWO and assumed that this would include sex as well. She said that would be ?70 on top of the ?20 I had already paid for entry. I said I was only prepared to pay ?60. There followed an embarrassing haggle over the extra tenner. We went over to the bed and she asked for the money first. I gave her ?60. She took me in her mouth after I promised not to CIM. To be honest she gave me a nice BJ. When I was nearly there I asked for sex. She said only oral for ?60. However, she did keep sucking and wanking me until I came on those nice tits of hers. Cleaned up and she offered some massage which I declined as I felt a little ripped-off. I should have read to two previous FR's on the place before visiting - both don't recommend the place as they felt like me that getting the most money is the major objective rather than pleasing their customers. Not recommending Dar either but don't suppose she minds as she doesn't really work there!
