### The Premises:

town house opposite shops.plenty of parking.

### The Lady:

as described on website but stunning in the flesh.

### The Story:

the door was answered promptly by a pleasant lady who i guess was who i spoke to on the phone. was let upstairs to a very nice room and a minute later nikki appeared with my drink wearing a classy see through black lacy thing over black bra and g string.she smiled and greeted me in a very nice manner and hadn't changed since i last saw her about 18 months ago at h.o.d. i lost touch as the website changed during a time when my laptop had died and i was using the library for internet use so was not able to partake in much research. i only use escort services occasionally so don't return to the same girl twice but broke this rule with nikki as after my last visit felt i finished early due to nikki's excellent oral so this time i skipped the usuall massage and went straight into kissing and undressing nikki and gave her oral before she gave me a body to body massage with those lovely tits,plenty of eye contact with a wicked grin on her face and then covered oral which was so good i had to stop her and ask to move on to cowgirl before it was too late. a very satisfying and sensuous.cheers nikki see you again sometime.
