The Premises:

Not so long ago, Brooklyns was refurbished and extended; and they did a good job. I was in the "old" back room, that is now fully en-suite with the shower that used to be in an adjacent room. A video was playing (with rather poor picture quality).

The Lady:

Nicole is a rather magnificent brunette, aged around 24. She looks even better than her fotos. Tall & busty, with lovely tanned skin and a shaved pussy, she is a sight to behold. With her beautiful face and big brown eyes, Nicole is in her prime!

The Story:

Nicole came in and began a a superb "girlfriend experience with full-on french kissing. After a sexy massage, she moved on to give some enthusiastic OWO. On with the mac for some enjoyable missionary sex, followed by more OWO to completion. No rush; I had my full 30 minutes.

Highly recommended!
