The Premises:

Three storey three bedroom house. Pleasant enough for purpose but nothing special - it could do with a bit of a refurb. Shower/bathroom functional but not great. Bedrooms again functional with lots of play area, but nothing special. Porn videos in all three bedrooms.

The Lady:

4 ladies attending. Jackie, mid 40's, slim, a bit of a Mrs Robinson character. Nice boobs, dressed in basque and fishnets. Dianne, mature blonde lady, lovely soft skin, again nice boobs. Kelly, Hispanic looking lass, sexy glint in her eyes, slight tum, but nice bum. Tits not as pert as others. Gaia, WOW!!! Pocket rocket! Brazilian I believe. Tiny little thing, no more than 4 foot tall, but everthing in beautiful proportion. Really nice tight little bod.

The Story:

Arrived and was met by Pam who showed me round and sorted out valuables in kitchen on 1st floor. She introduced me to Kelly, who took me upstairs to the playroom. At the price I was expecting a lot of don'ts, but I got a nice surprise with Kelly. Kissing, which got pretty passionate, and then some delicious reverse O followed by an excellent covered BJ, including ball licking. Only don't was fingers inside. After the first round, Kelly tried immediately to coax me into a second round, but I wasn't quite ready, so went for a drink and a bite to eat from the finger buffet.

Then back upstairs, this time to Jackie. Again, a wonderful snack at a very tasty pussy, followed by a covered BJ, and a nice energetic missionary.

The best for me now came with a lovely session with Gaia. She is so tiny, but such a lovely tight firm body. She's so small that I was afraid that I would crush her so got her to ride me, which she did energetically, and as I reached the point of no return, she started whispering encouragement in my ears - very erotic.

After that, back to Jackie, for doggy, Gaia again for another cowgirl, and then Dianne, who is a swinger who just enjoys being there extracted a final climax with a handjob - would have been a pearl necklace but I was about milked!

The other guys were by and large a good bunch, but there were a couple who got in the way a bit. There were a couple of times we were queuing at the bedroom door, but the ratio was such that everyone got what they were after. Ration was about 3 to 1. No-one at this party was brave enough to go for anything other than 1-2-1's.

Overall, while there were a couple of things that could be improved, where else could you pay 60 quid and get 4 very horny ladies who just didn't say no for pretty much the entire 4 hours. While the ladies may not have been Miss World contenders, they were all very attractive, though Gaia was outstanding - she was worth the money on her own. I left with a big smile on my face, shaky legs and a feeling of having got good value.
