The Premises:

Was quite dark but very clean. Liked the mirror on the ceiling

The Lady:

Lovely spanish girl with black hair. Came in room in black underwear and no shoes, perfect

The Story:

As soon as she came back to bed she had a mechanical way about her no smile and just went through the motions but give her due she has a fantastic body and is very good at her job. At the end there was just silence while i dressed and she cleaned up and she just left the room. Got more of a smile and conversation from the maid lol

Nicole would have the punters lining up if only her attitude improves
