The Story:

A lot has been said about LM party already, so I'll spare you the sordid details. All I can say is that any man who ever paid for "it" should attend this party at least once. The relax, freindly and acommodating nature of the party meant even nervous wreaks like myself can enjoy the party with the utmost ease.

7 incredebly horny ladies asking in every room you walk into if you want to play, and who wouldn't take "no" for an answer.

Why wouldn't I want to play? What was I there for.

And just the pleasant conversation with the lady of the house is worth a visit.

Thanks LM and see you and your horny ladies soon.
