Dinner date outcall to my (very suitable for the purpose) hotel in Milton Keynes

The Lady:

Just like the pics on her website although she admits that she has put a little weight on lately which she is working to remove. Nonetheless, my ideal MILF. Tall - 5ft 8 inches. Lovely, soft auburn hair (just perfect for running your hands through while DFK). Lovely natural boobs and a beautiful pussy. Nice landing strip which she has just begun cultivating. Hope she sticks with it as it looks great on her.

The Story:

What can I say about Chloe that has not been said already by other FR writers? In email, she told me that she rarely gets to do outcalls so a dinner date would be a treat for her as well. On arrival at my hotel room, she gave me a great big french kiss which really broke the ice. And she is a great kisser.

Milton Keynes is a bit of a restaurant desert. But I managed to get a booking at a fantastic restaurant in nearby Woburn Sands, 10 minutes away by cab. Chloe is good company at dinner. Friendly and chatty. But it is during private time that she is a real star.

Round 1. Lots of prolonged DFK. Chloe responds well and kisses with passion. Then reverse oral. She tastes divine, is encouraging and responds well to the right moves. Then a fantastic teasing BBBJ. Chloe takes you to the edge without tipping you over. More RO and OWO and then sex in mish to completion.

A bit of a drink and chat and on to round 2. More prolonged DFK, RO and OWO. Then a tiring, sweaty bout of sex in cowgirl and mish before Chloe and I engaged in simultaneous masturbation to completion with me cumming all over those lovely boobs (well, she insisted). Fantastic.

Chloe is no clock watcher. Our time at the restaurant chewed up a larger than expected portion of the 5 hour appointment. No matter, Chloe stayed and allowed me to enjoy my time and her body

until I was spent. It is around 2.00am (nearly 7 hours after arriving) when she eventually gave me a big parting snog and was on her way (can't say this would be available to everyone though). Great value and some punters wonder why I bother paying for dinner dates!

Chloe is a lovely, natural woman who really enjoys what she does for a living.

Thanks once again Chloe. You are a babe.
