The Premises:

Up a side street, through a small car park , climb metal staircase to the flat. Greeted by very friendly and welcoming maid.

Safe area, plenty of cheap parking.

Bedroom was fine, no problems.

The Lady:

Beautiful oriental (Thai) girl, curvy probably size 10. She told me she was 29 but I would have said she looks around 22/23 y.o.

Lovely breasts, bigger than normal for an oriental lady ..they did not feel fake (but I might be wrong!)

Very friendly and obliging nature.

The Story:

Originally intended to see May based on recommendation of a forum member but was told on arrival that she did not FK.

As this is essential to me I enquired after the other girl working and she was happy to dfk.

Kissing on bed, then 69. She came after about 10 minutes of heavy licking on her clit whilst deep throating my cock(without).

Then some solo work on my cock with her mouth, very very deep throat!. This girl definitely has good sucking technique.

She was expecting and willing to take my full load in to her mouth but I wanted to fuck her.. so on with the rubber and into missionary.

A satisfying conclusion followed soon after.

A beautiful girl who offers a high level of service.
