The Premises:

The place was clean and tidy and well appointed in a modern complex of flats a fine area with no issues over safety.

The Lady:

Amy is tall (5'8") and very leggy. She is a very sexy slim girl with a very cute ass and lovely natural breast. Nicely tanned and very flexible she is a delight.

The Story:

I have used this organisation on several occasions and the service has always been very effective. The girls are consistently very good. Amy did not disappoint as her career as a lap dancer means she is very fit and very flexible, I you like that sort of thing. We chatted for a while and relaxed and moved in to kissing and then on to the more intimate areas. She seemed to really enjoy oral and has a lovely pussy which I investigated with glee. She returned the favour and we progressed to some fine enthusiastic fucking in a number of positions. We finished with a cuddle and a chat. All round a good punt to be recommended.
