The Premises:

Lovely smart terraced house - spotlessly clean and very upmarket. Area very safe and quiet and on street parking was very easy.

The Lady:

Tall, well toned body with dark hair, shaven pussy and huge enhanced tits. Very attractive lady - a real hottie.

The Story:

Becki is a good talker - personally I like this as it makes the meet seem less clinical. A lovely free spirited person in her late 20's. Best described as a laid back GFE - certainly not a PSE. Oral was covered but really enjoyable, Becki does kiss but not DFK. Started with her massaging me which was very relaxing, then the covered BJ and then I went down on her. Extremely pretty and sweet tasting pussy and Becki is very sensitive. Spent a good time probing her clit and she nearly came on a number of occasions but held back as she wanted to enjoy the sex.

Sex was fabulous starting in cowgirl in a variety of different positions with her awesome 32G's swaying to & fro, then a bout of mish, then prolonged doggy with Becki eagerly pushing her peachy bum up in the air for some very deep penetration which nearly had me exploding. Finished off with some lengthy mish and when I could hold on no longer I upped the tempo and fucked her really hard. I came as she wailed how deep I was going and we collapsed in a heap on the bed.

What a great girl you are Becki. Many thanks!!
