The Premises:

A great place, easy to find.

Sunday so parked in supermarket opposite, might be different on a usy day.

Room clean, but only a massage bench, I liked it that way but some might not.

Entered through the front entrance, I am not shy, discreet back entrance, so disceet I didnt find it until I left.

My only critism is Ladybirds should keep there website up to date, Miranda isn't even metioned on it and she is a star. Some dates would be good so punters know they are open and the rota is up to date.

The Lady:

Early twenties, slim, c cup breasts, pale, red head, appeared very shy at first but became a star in the room.

Was initially disappointed when I walked in because the other lady, Asley I think, I was was more to my taste, but was due to go through with another client. Another lady was busy, available in 20 mins.

However I couldnt have been more mistaken.

The Story:

Offered a shower and choice of talc or oil. Very little chat through the first part of the massage face down.

Miranda song along to the CD that was playing and I did think this was her way of pacing the encounter.

Once on my front she continued the massage while slowly removing her clothing, then I was asked

what i wanted, I asked for sex ?30 on top of the ?12 door fee.

She continued to masaage me whilst removing her bra and then knickers, then on with the condom with her mouth.

She then climbed on top of me for the best sex I have had in years. She did all the work. Laying back, facing me with a wonderful view of her exquisite, tits and shaven clit until I came, too soon for her to fully enjoy it, but i sure did. Miranda then told me to stay where I was and relax whilst she cleaned me up.

Will definetely be back to see Miranda again and to see if the other ladies match up to her.
