The Premises:

Britishbabes have moved from their old place in West Kensington to a central location off Edgware Road. Its much better - bigger, nicely decorated, easier to find, safe and discreet.

The Lady:

Both girls are exactly as seen in their pics. Taylor is a busty blonde in her mid-20s, Ruby is brunette and probably mid-30s.

The Story:

A disappointing punt. Initially, I picked Taylor but when going through the prices, she said kissing was ?15 extra. This seemed a bit steep, and as alternatively I could see both of them for ?100 and they would interact, that seemed a much better option.

They were both nice enough, but they just didn't seem enthusiastic at all, especially Ruby. They couldn't stop giggling when snogging each other and that was about as far as the interaction went. They said they'd left the strap-on at home.

I ended up shagging Taylor, which was nice enough. She's quite hot, and talks dirty. Ruby didn't really offer anything though. Apparently, she's new to the game so perhaps she'll improve with experience. Still, I left thinking I should have just had a one-on-one with Taylor.

One bad punt won't prevent me from visiting Britishbabes again, as the flat is nice, the location good, and I've previously had a great time with other girls like Tamsin and Charlotte.
