The Lady:

Two ladies there, Camilla and Gaia. This was my second visit and there was another lady who was off duty, in civvies, she had been there for the afternoon session and stayed on chatting with the other girls, the host and the guests.

Both Camilla and Gaia are in there early 20s. Camilla is muscular, fit, firm, and very well built. Gaia is very slight, tiny, very slim with small pert breasts, very long wavy dark hair and a massive tattoo over her left arm, shoulder and most of her back.

There was also a third girl who arrived late and left early and i didn't get to spend time with her.

The Story:

I had the time of my life!

There were already two other gents there and engaged when I arrived so I had a beer, some snacks and chatted with the host and the off duty lady.

After a short while Camilla invited me upstairs to spend time with her. She gave a great massage and built up steadily through various activities. The whole evening was characterised by being unhurried, however things built to a climax and then cuddled a bit and Camilla said she would see me again later.

A break, some more food, drink and chat and then a session with Gaia. No french kissing or doggie. But fabulous action otherwise for ages until the inevitable. And then we just lay there and chatted for 20 mins. Gaia is from Mexico, not Brazil as others have suggested, and she is returning there shortly. Then I was ready to go again for the third time, which took longer and she came.

Another break and then back with Camilla who gave a concerted oral and manual effort and put me in my place when I suggested we move to a finish by insisting it needed to be much longer. I just let her take control. After about 40 mins she brought me off for pop number 4.

I was the only guest left and did try another session with Gaia but performing for a fifth time was beyond my capability. Eyes bigger than my belly.

It was the most memorable evening and will stay with me for a long time. Gaia said she will return to UK in 6 months. I will keep a look out for her return
