The Premises:

Clean modern and tidy ground floor flat in residential area close to city centre. Perfectly safe and loads of parking spaces during evening although in peak shopping times allow a further 10 minutes.

The Lady:

Lottie has the perfect bum and the cutest petite figure. Lottie is no longer a blonde but a brunette.

The Story:

Have seen Lottie many times before although she has only just returned to escorting after a break. The agency describes her as a legend which she is. She puts her heart and soul and most importantly into providing the best possible service. Has a variety of enjoys on offer. On this occasion our session was spiced up by Serena's unexpected arrival. Unfortunately she didn't stay but worth considering for a duo next time I think.
