The Premises:

Very nice apartment at the top floor with nice clean bed. There is a nice CD player in the place so feel free to take your bumping track with you.

The place is very safe as visible, yet the entrance is for multi apartment so no one will notice where you are going.

The Lady:

Oh Rachel is very fit blonde girl, she is 5' 8" leggy bombshell, boobs are firm and nice. Blue/green eyes and a naughty smile.

Lovely feet and nails are plain varnished.

Real blonde (but she is shaven fully)

The Story:

Best thing about her is that you can have proper french kissing, she loves it and she does OWO better than any girl I have EVER known. She is very sensitive and you will see a response to every action. I loved her moans when down there.

I have had many experiences but this one is 1 hundred, if you like GEF then try it out.

I have to confess that I have been there quite a few times over the weeks and wanted to keep it for myself, but hey, it's good to share.
