The Lady:

5'4" very sexy lady - gorgeous arse and tits, and the rest's not bad either.

The Story:

Was passing and suddenly felt horny (why?). A very dulcet voice on the mobile said "Holly's not here today (shame) but Debbie and Jade are, and I'm Jade". Well, she sounded so sexy I thought "YES" - but Debbie was just about to start - "Well, you can have me on the sofa" says I, "Oooooooh you naughty man ... come over straight away" or words to that effect. At the door, I was confronted with a lovely bikini-clad buxom young lady, turning she revealed a bikini bottom stretched over a superb arse - oh my god (thongs are so unsexy IMHO).

Said arse received a thorough groping within the stretchy bikini, tight jeans (my fetish) and with nothin of course. Same with those lovely tits. AND I had my toes sucked !!!! A fetish of Jades, not mine - but LOVELY and I'm a convert.

So, if you want a wonderful foot massage, and have a toe fetish and appreciate a fantastic arse and tits and a great shag - get yourself over to see Jade. Much much much sexier than her photos.

I shall return,
