### The Premises:

Detached Victorian house situated in rural Shropshire ?no worries about parking there is a safe discreet driveway. An independent lady, which means there is no 'cattle market' feel about the place.

### The Lady:

Gina is sexy lady, exactly as it says on the can! You can see pictures of her on her website.

### The Story:

I had asked Gina for some role play that evolved her dressing up as a school teacher which she was happy to do. She knew exactly what to say and how to behave. Occasionally brushing against me allowing occasional ?unintentional? glimpses of her sexy body and making not so subtle innuendos as she?flaunted herself in front of me. Then being pleased by my obvious state of arousal Miss insisted that she deal with the problem! ? I was happy to oblige and by the end of the lesson I was delighted with the results and from the expression from Miss Gina face I?m sure I earned top marks.

Gina made my fantasy come true she made it fun and enjoyable for us both. She knows how to please, I will be going back for more.
