The Lady:

lovely english girl,slim petite,smelt nice a lovely body with nice suckable breasts very pert and responsive,lovely peachy bum which looked so good in her g-string,her skin was soft and smooth

The Story:

i got the finances out of the way then she came back in the room,at first we just stood up snogging and gyrating with each other,i was kissing her neck and chest,she turned around and i was gyrating with her in front of the mirror,and fondling her breasts,we then went on to the bed and there was a lot of kissing and touching she let me kiss her all over her beautiful body and then i turned her around and kissed her back which she loved.i then went down on her and tongued her out and made her come which she even thanked me for...lol...she the put a condom on me me and there wasa loads more kissing,licking,fondling,she then began giving me a b.j. which i had to stop her because i thought i was gonna cum!...lol,i then got on top and we had frantic sex,most of it was just a haze because we were both into it,i like visiting working girls that let you get touchy feely with them and give you that special treatment

sacha is very good at her job and aims to please she takes time and really enjoys her job,im DEFINATELY going again,im glad that silk and stockings have found a nice english girl,give her a go and im sure you wont be disappointed,...see you soon..x
