The Story:

This was my second visit to this establishment and honestly I could have chosen either of the other 2 attractive girls on offer and had a great time. Luckily I chose Sapphire and had a fantastic time. Some enjoyable kissing and cuddling followed a nice relaxing massage. Then onto some excellent OWO (with plenty of eye contact throughout) before some very good sex in several positions. At my request Sapphire gave me hand relief so I could come over her gorgeous breasts. This was one of those memorable punts that you relive for days afterwards. Thanks Sapphire and hopefully I will get to see you again soon.
