The Story:

Being old and fat I was apprehensive about seeing Chloe. I need not have worried. She is one of the nicest girls that I have met. Chatty and straightforward, she made me very welcome. After a shower we kissed and snuggled up on her comfortable double bed and the half hour flew by. Chloe loves sex in all its forms,particularly giving and receiving oral without. Her tasty pussy is extremely tight and her squat technique delightful. I finally came in her mouth as she gazed into my eyes.

Chloe is a gem. She likes to be treated gently and will reward you with a memorable encounter. I cannot wait to see her again.
