### The Lady:

asian female.about mid twenty long mane of dark hair tall and slender

### The Story:

not one to be remembered,except as a warning to prob stick with scottish girls. i had read the previous reports and was aware,but lack of girls not on time meant few to choose. went against my instincts for the love of coloured girls but wrong choice.

def no gfe from her.her caressing was so poor,no kissing and too many fake moans,especially when giving some oral on her she satrted as soon as my tongue hit the lips.no owo at all and poor blowjob. into deep missionary with her legs in air and just quickly done the deed and left,however she tried to keep me in room as not to get bollocking of boss..

on way out ,boss told me i had picked wrong one so obviously other punters have voiced concerns..
