The Premises:

Clean safe and easy to find.

The Lady:

This girl is exactly what would spring to mind if you shut your eyes and thought "I want a real woman". Tall, dark haired with great tits and arse. Her eyes just draw you in to her beautiful face.

The Story:

I have been trying to see her for ages and finally got a free slot. She engages you fully with smiles throughout which I like. OWO is exceptional and deep and the kissing was great too. Plenty of positions from the usual selection I think the doggy was the best. Plenty of verbal encouragement which I didn't need but appreciated. Finished with CIM but no swallow which I dont blame her for. Nice chat afterwards about my time in Italy when I was in the Army and her Psycology course in London. I would recommend whole heartedly. Ciao Bella.
