The Premises:

Clean place in block of flats. Safe as no nosy neighbours or people hanging out on the street. Discreet as you go in through intercom, have to walk up 3 flights of stairs but thats not a problem for me!

The Lady:

Very sexy and hot. Fantastic ass which she knows how to show off with flattering cheek showing shorts! mmmmm just how I like it. Small breast and a petite size 6/8. Half arabic and halp puerto rican, what a lovely mix

The Story:

Got in was offered freshening up and bathroom facilities. Was offered a drink and was asked if I wanted music or porn. Looking at this lady why would you need porn?

Had a fantastic massage which was more of Jazz licking me kissing me all over my body. Quickly developed into a hot oral (with only im afraid) but lots of nice attention to the balls.

Had to take her from behind and then could not last as long as I would like as her ass was just too hot! She did help me prolong the inevitable and wanted more when I had finished by pushing back onto me. This girl LOVES being fucked hard!
