Details of Service Provider:

The Premises:

Huge Room, unlike many in the vicinity, plus clean and tidy. Have never felt unsafe in this area at any time.

The Lady:

I cannot add anything to that already said - stunning! Paris now has dark hair, has a super-fit, toned body and there's that wonderful smile and sexy giggle.

Added bonus was that I was the first of the day and got there before her, so had the added benefit of seeing Paris in her street clothes - worth paying extra for. Very friendly maid, even made me a cup of tea whilst I waited.

The Story:

Usual excellent service - friendly, feminine, sexy and great fun to be with. I was actually a bit run down but that was no problem once Paris took control and brought me to a shuddering conclusion. No hint whatsoever of timewatching, and Paris really does give the impression that she enjoys her work, no way is this acting.

Roll on next Tuesday, and Thursday and Friday!
