The Premises:

This is the worst scam ever. As soon as Anna comes in she asks to see your dick with the pretext that if it's too big you pay more. I should have walked out then. Then as soon as you pay she suddenly gets massive tummy pain claiming the customer before has a massive dick. Then she tells you she has run out of lube. Then every other moment she claims her tummy is killing her. I cut my losses and started dressing up the pain suddenly disappeared ! Stay away from this one.

The Lady:

Black hair with a shapely body with a slightly bulging tummy
