The Premises:

As previously reported, easy to find, parking nearby. Lots of people around so not sure if they suspect what is happening there now.

The Lady:

Honestly I thought Nisha was absolutely stunning 9/10. Petite/Slim, nice skin. Breasts are a little small A-B cup. She apologised for the smoking smell but to be honest I didnt even smell it.

The Story:

Was kept waiting for about 5 minutes after handed over the money, not sure if they have raised their prices but previously I paid ?60 for 30 minutes (BJ & Sex) but today the establishment wanted ?70 - need to investigate this further.

I did feel Nisha acting was a bit OTT but with Oh Yes, Your the best etc - told her to just be natural to which she replied she is.. So maybe she just does enjoy being touched/sex etc?

Regarding another report saying she was lifeless I couldnt disagree more - she had lots of enthusiasm with me - lots of kissing, licking etc.

Main event was nice but I was too sesitive but enjoyed a honest conversation with lots of cuddles afterwards..

Didnt really feel rushed but had to leave quickly anyway.

Out of all the girls I have visited - she is one of the prettiest and enthusiastic ones I have seen and would love to see her again..
