The Premises:

Large block of flats in central part of London. Very close to Queensway tube station. Her flat was tidy and clean if a little dark inside!

The Lady:

Aged around 19. Very young! A very cute little thing! pretty face and a perfect body. Gorgeous pert boobs.

The Story:

After reading plenty of positive comments about this girl (on the forums and FR's) I decided it time to pay a visit.

French kissing good but maybe not the best (she is probably a bit too forceful!!)

She smelt generally fresh but I could smell urine when going down on her (shame) so she had probably just been to the toilet!

Her 'oral without' skills are exceptional and for these alone she is worth a visit. She is very happy to suck and suck for ages!

We 69'd for a while but she did not respond at all (which I found unusual)

She shows a certain amount of reserve and this made me slightly uncomfortable (but I may be over sensitive!).

In summary she is a beautiful, fit young lady who will give you a good oral workout but I will probably stick to a half hour visit if there is a next time.
