### The Premises:

A year ago, Abigails reopened its doors after a period of closure. Having had a mild spruce up, the parlour was warm and clean.

What a difference a year makes! Arriving in mid afternoon, I found that none of the rooms were ready, with unmade beds and used towels on the floor. Both showers were out of order, and the bath was dirty with pubic hairs cuttings and nail clippings! The carpet was so dirty it felt gritty underfoot, and the furnishings were thick with dust. The room was cold, with the inefficient central heating struggling to make any difference. The toilet (which opens directly onto the kitchenette) had no toilet roll ; "the girls steal them", I was told! I asked for a cup of tea; but the parlour was clean out of tea bags!

Abigails is going to have to rethink its cleanliness policy if it wants its punters to return. No one expects hotel standards; but this was a joke. Abigails charge more than some other basic parlours; so I shan't be returning until I hear that things have improved. At the end of my visit, I told the maid how dirty the place was; but she didn't seem bothered.

Although an inner voice told me to leave, I decided to stay. I had come to see the delectable Jazmine, only to learn that she had "retired" for the time being. Instead, I thought I'd have a punt with a new girl, Nikki, who looked cheery and welcoming.

### The Lady:

The maid said that Nikki was "very good in the room" so I took her at her word. Nikki is a tiny little blond from Brum, only 4'11" (5'3" in her heels). In her mid-twenties, she was quite pretty and fully shaven.

### The Story:

Nikki was quite sweet and was embarrassed about the filthy state of the parlour. We got down to business with a massage, OWO, then missionary sex, & finally off with the cover and a hand relief finish. Nikki kissed fully, and her OWO was nice too. However, the event never had any great feel of

eroticism or excitement; so although both Nikki & I quite enjoyed our punt, I didn't quite get the buzz that I was hoping for.

Nikki is fairly new to the game, and she has a pleasant personality. I'm sure will give many punters a good time; but I probably won't be back at Abigails for a while.
