The Premises:

All as previously described easy to find near Staples. Clean and tidy. Although I turned up "on spec" given a warm welcome by the receptionist.

The Lady:

Foxy was the only girl available but I wasn't disappointed. Absolute sex on legs. Check her out on the web site.

The Story:

Dressed in red bikini and fishnet tights. Also wearing red horns !!! So I knew I was in for wicked time. She snogged me as if I had know her for years. Then alittle sensitive back massage. Hand between my legs to tickle my balls and kisses to the inside of my legs. Turned over for the best OWO I have ever had. She sucked and deep throated me until I almost came. I thought that was the end of the performance but then Foxy squeezed some white cream on her its and said time for desert! I licked and sucked her great tits. More DFK. Then Foxy transfered some of the cream from her tits to her cunt. Positioned in 69 we both sucked and licked. Had a great laugh as my erect cock waved at her and she rubbed him against her pussy lips and anus. Finally on with the rubber. As she climbed on top of me she said she did CIM and swallowing, I knew I wouldn't be able able to last long enough to finish without the rubber and sure enough I shot my load deep inside her. After cleaning me up Foxy said there was no rush and we lingered on the bed talking and DFK. I think the best punt ever. Thank you Foxy.
