### The Story:

I decided to have a VIP hour with Kareena, just to relax off a bit. The bubble bath chocolates, etc were great! Nice bath lighting set the mood perfectly. Kareena joined me in the bath which was a real turn on. She gently massaged my back with the warm soapy water. I could of stayed in there all day. It was a much needed relaxing 20 mins in the bath. Kareena continued massaging me once we had gone back to the bedroom. I gave her reverse oral, which she seem to really enjoy. She did return the favour with extremely good oral (covered), she kept eye contact the whole time she was sucking me. Kareena has lovely soft skin. I did it to her mish, so that I could see her pretty face. Kareena was great to be with, very talkative, gentle and best of all SEXY! I'm planning to visit her again next week, for another relaxing hour.
