### The Premises:

This is a rare find in london.A clean and upmarket flat.On arrival i was greeted by an attractive friendly maid who offered me a drink and made me feel comfortable.

### The Lady:

Although i saw this ladys pictures on the website when this lady walked in the room my knees went weak and i lost all my facultys..... an absolute beauty in every way.her legs are that of a goddess and went up to my chest her golden blonde hair draped her shoulders and went down to her waist...her big blue eyes and perfect face rendered me speechless OMG!!!!!!!

### The Story:

tongue tied i asked for tie and tease with a little pain free dom.I didnt have to say much she seemed to know exactly what i wanted.She tied me to the bed keeping eye contact she completely controlled my mind while she brought out a mixture of toys and instruments which she pleased and pained me with at exactly the right times,she even stroked my arsehole with all sizes of rubber cocks and though ive never had that before it made me come harder than i ever have! im in love with this girl!!!
