The now very well described House of Divine South Kensington location.

The Lady:

Tall, tanned. Very soft skin. Extremely well toned. Hair colour is different to the website and she does not wear quite as much lipstick. Long legs.....

The Story:

I was greeted by the very nice maid at the door and offered a drink.

Rebecca walked in wearing matching bra and panties and introduced herself. She came across as very bubbly and genuine.

She is chatty and whilst she gave me a nice slow massage she conveyed to me her love of expending energy whilst doing physical activity (I thought this bodes well for the forthcoming adventure!!).

She kisses delicately and moves things forward at a natural pace.

Her nipples are a highlight... small breasts but really really suckable nipples - they stand up and scream for attention. I performed oral on her and whilst she moaned I remember caressing her stomach and then holding her waist - very nice and firm.

She performed OWO and expertly slipped the condom on with her mouth. Rebecca is beautifully tight inside (its a pleasurable sensation entering her) and we had a great extended romp which resulted in us climaxing at the same time. Fittingly, a final note - some guys say they find it hard to climax whilst wearing a condom - visiting this well toned young vixen might just resolve this issue for you..... ;-)
