slim black girl with tiny bum. Foxy is a good name for her. Saucy eyes and smile.....very kissable lips.

The Story:

How on earth does this girl not have 200 positive reviews! she is a complete star. Very sexy. Full fat kissing with tongues which was really erotic and sensuous. Slow sexy undressing and superb BBBJ. we moved to the bed where I licked and fingered her. She is very orgasmic! and cums and cums and gets wetter and wetter. She wanted shagging so shagging it was lovely.....I came hard and she came a lot.

A bit of sensual recovery with stroking then she got me hard by sucking my cock, rimming and using a vibrator on me. She then did this amazing thing with a vibrator while playing with my cock and sucking my balls. It was absolutely outstanding. Amazing.....

she climbed on top while sticking a largish vibe up her own arse and did d/p with this vib inside her.....OMG I thought it couldnt get better and just did. We did some hard shagging and then I ended up in Mish with her fingering my bum and shagging while she was saying u can cum in my mouth if you want.....

I came again and was left shaking all over.

She is not vanilla!!! she is also soft and senuous. She also has outstanding technieques! and is very orgasmic. Perfect combination

sexy gifted, open, sensuous, dirty, and very very foxy!

Give yourself an hour! If I had funds I would be spending a lot of time with her.....

One of the best girls in Milton Keynes
