The Premises:

A flat above a shop with nearby free street parking. The flat was on the first floor & is accessed via an external staircase within plain view of a busy road, so not the most discreet entrance. The flat was clean & is shared by up to 3 independent girls - door was answered by one of the other girls.

The Lady:

Sarah is a size 16 brunette BBW in her late 20s. She has 36E breasts & a good personality. However she somehow didn't do it for me, too much make up (fake tan) on face, breasts were not large despite size quoted, and stomach had much too many stretch marks - to the point where they were off putting.

The Story:

sarah was very keen & was willing to do most things, which made up for the disappointing looks. She gives a very good uncovered deep throat, including gagging. She also offered fisting on her & anal, which were very nice. I would recommend provided you don't mind stretch marks &
