The Premises:

Terrace house on quiet suburban street close to Thornton Heath Pond. Felt safe. Room sparsely but well appointed.

The Lady:

Anyone who does not rate this lady as one of the physically most attractive the have ever met is probably dead. Her picture on the website is accurate and her face, which is not shown, is equally beautiful

The Story:

She gave me a short massage followed by OWO both forward and reverse. She is exceptionally good at it. 69 was also on the agenda but I found that I wanted to see her face and sexy eye-contact and reverted to straight OWO. Oh, and she kisses with her tongue so far out that I had difficulty reaching her lips! All in all terrific value for money.
Thanks Dani.
