The Story:

Have visited Gemma on several occasions now. She made me feel very welcome from the very 1st time and any awkwardness on my part lifted within a few minutes. It now feels as if I am visiting a friend not an escort. She always dresses to please and looks great.

I particularly enjoy spanking during a session and believe me this lady can spank and quickly picks up exactly what you want and how you like it. Visit her you won't be disappointed.
