The Premises:

Just off M1 near Meadowhall, Andrea had me laughing before on the phone before I got there as I got lost! Parking is easy and I felt safe. Andrea apologised for her place, which she needn't of done. Once I had seen her body I wasn't looking at the room anyway.

The Lady:

Andrea is a natural beauty, not tarty like some girls. She has a lovely size 8/10 figure with shapely tits, dark tempting nipples and small trimmed pussy.

The Story:

Andrea put me at ease straight away and started giving me OWO which she said she enjoyed. I asked her if I could touch her pussy which she was happy for me to do. I could feel her getting wet as i played with her clit so in went a finger. By this time things wer happening so I decided i needed to return the favor, her pussy tasted delightful and she seemed to enjoy the attention. It was on with the condom and into and into mish which finished me off.

Andrea gives a full GFE being bubbly and friendly. I am tempted not to recommend her as I want her to myself but that would be selfish.

Treat her with respect she is a real gem
