The Lady:

Just like her pictures - soooo beautiful. Are those breasts the best in the world or what ?

The Story:

OMG ! Dose she love me or was it an act ? She held me like she meant it. All services offered with real passion - no problems or hesitations. She tossed back her hair & I was mesmerised, she should not be an escort - really she is so precious. Guys - there is something different about this girl. I just cant stop thinking about her, I want so much to see her again - but I am not sure I am good enough for her. The time & date are false beccause I dont want her knowing I have seen other girls. How stupid is that ? There is no fool like an old fool.....
