The Story:

I rang & arranged to see Rachael earlier in the day because of her good reports on this site. I asked for 6pm.

When I arrived, was met by friendly maid, offered drink & asked to wait in room at end of hall. Nice room with large round bed, 2 massage tables. After a minute or 2, 2 girls paraded in separately, a pretty east European blonde & a small asian girl. The maid then came back in & asked me which of those girls I fancied. When I said I had booked Rachael, who I hadn't yet seen, she looked a bit apologetic & said rachael was busy & would be with me in a few minutes, was I willing to wait, to which I said yes.

After 20 minutes Rachael duly arrived & said she couldn't do an hour because she had to leave at 7.15, but could do 30 mins. So I said yes, we agreed the price for all services inc owo & she then asked me for the dosh, which I gave her. I then asked to have a shower, which took less than five minutes & was told to knock on the door when I was ready. When I did this she came back into the room & said she didn't think she would be able to me at all as she wouldn't want to rush her 30 minute service & really needed to get away on time. She said she would ask one of the other girls to come & see me. The only one available was the small asian girl, whom I had to tell to go & get the money off Rachael because even she didn't know why Rachael had changed her mind. Whilst I won't say anything bad about her, I didn't enjoy her services at all (but by then was ready to f*** anyone) & was done in 10 minutes & still out of there by 6.50.

I would NEVER recommend this place to a first timer (as I was) & will certainly never go there again, because even if you do take the trouble to book in advance you may well get messed about when you get there like I did.

One to put down to experience for me & just accept it as ?60 wasted.

Service Provider's Rebuttal

The establishment writes:

was shocked to read your report as the girls at this establishment are usually of high standard and very rare do we get a report like this. just a few things i need to point out though on the girls behalf. as you may have noticed when you enter inside the studio we have recording cameras just inside the front door. i looked at this footage and yes, you was kept waiting by rach for 15 mins, you then spent 13 mins in the shower, not less than 5, then you where with henna for 21 mins, not 10. please feel free to come and view this for yourself, if not, please make sure you have the correct information before submitting a report like this. thanks xx
