The Story:

I took a chance on this lady as at the time there were no pictures of her on the website so I just went by the written description. When I saw her I was glad to see that I had made the right choice as she was absolutely stunning. Rubie has just the right kind of looks I like in a lady and her body was perfect with wonderful big breasts.

She came straight onto me with french kissing which was great and this continued throughout the session. The rest of the time was taken up with oral, me on her, her on me, and then mutual pleasing in 69 finishing with a cim. She asked me if I wanted anything else but I'm a one shot guy so we spent the remaining time talking, and she is very friendly and easy to talk to. Rubie is the best girl I have been with so far and so I highly recommend her even if I would like to keep her for myself. I look forward to seeing her again.
